

HEALDSBURG RANCHES

CABERNET SAUVIGNON

California

For generations the vineyard ranches surrounding Healdsburg have produced many of the world's finest wines. This area's rich agriculture legacy and diverse climate form the basis of Healdsburg Ranches wine.

Our California Cabernet Sauvignon is sourced from cool coastal vineyards ranging from Paso Robles up to Mendocino County. Our wines are crafted using time-honored techniques focused on staying true to the grape varietal.

Tasting Notes:

A full bodied California Cabernet Sauvignon that has a soft and delicate side with a complex range of aromatics and flavors. The palate includes notes of blackberry, dried cherry, velvety chocolate, tobacco spice, and cassis all framed in the toast and vanilla flavors of French oak. This is a wine with layers of flavor, a long smooth finish and dry tannins that round out the palate nicely.

The Essentials:

Appellation: California
Variety: Cabernet Sauvignon
Aging: 9 months in French Oak
Alcohol: 14.5%
